STAT

[redacted]

Thank you very much for your letter of 19 August 1980 which included the \$30,000 check in payment for the non-salary costs for the FBIS editor, [redacted]

STAT

Regarding the costs relating to improvement of the teletype link, your proposed method of payment would be very appropriate.

It is unfortunate that you have had to forego your planned visit to the United States this fall. It would have been a pleasure to see you in Washington. Perhaps there will be other opportunities for a visit in the future.

I welcome your invitation to visit [redacted] the next coordination meeting sometime early next year. At the moment, February would appear to be somewhat more convenient than January for FBIS in terms of our internal planning, but I would be pleased to accommodate to your preference. It would be interesting to see your new building at that time.

STAT

In this connection, I believe it would be beneficial for [redacted] our London bureau chief, to participate in the coordination meeting. I hope this will be agreeable to you.

STAT

In the meantime, I shall look forward to receiving your firm proposal for the dates of the meeting.

Sincerely,

[redacted]
Director
